From the D P I to Inspr. Calicut

No D1-1694-59/46 S 20/6/1947

Requests clarification of the rules regarding the Powers of the managing Committees of Govt High Schools in regard to writing off the cost of the lost or irrecoverable articles of equipment etc, of the Schools

1) It is reported that the managing committee of Saga Municipal High School, were from time to time, ever since the School was started, writing off irrecoverable fees and the cost of irrecoverable articles of the equipments of the School

2) The local audit Section of the Comptroller's office Opr. 1/43 observed that sanction of Govt may be obtained to the action of the Managing Committee of the School in having written off the above accounts on the ground that the powers of the said Committee in respect of these items have not been defined in the rules

3) The D P I states that according to 10 & 14 of the rules for the management of Municipal High Schools as laid down in G O No L 3530-47/Mil 47-34-25 dated 16 11 34/15 2 35 Flag A the managing Committees have full administrative powers over the affairs of the schools in conformity with the rules and regulations of the Dept in all matters & has therefore to be considered that the existing rules would cover the authority for the action taken by the managing Committees in such matters

4) As regards irrecoverable dues of fees from the students, the D P I states that the procedure to be followed is as per Rule 88 (5) of Govt High & Middle school Account Manual which reads thus — As regards students who have left the institution without paying fees fully or partly, a remark should be made against their names in the Admission Register at the end of each year as to the total amount due from them, so that it could be conveniently recovered if and when they

apply for leave certificate.

5) In the circumstances the D P I requests orders on the following -

1) to ~~write off~~ waive the usual objection made reference

2) to vest the managing committees of mfl High Schools with the power of writing off the cost of unserviceable articles and

3) to make the rules laid down in the Account manual referred to above applicable to the mfl High Schools. -'30.

Flag A/ 6) As per rule 14 of the G O dated 15-2-35, the management shall conform to the regulations and rules issued from time to time by the Dept the D P I may perhaps be requested to intimate what the procedure is in respect of such write offs in good institutions

SUBJECT - Waiving the audit objection in respect of the loss of articles in the Municipal High School, Sagar, etc
=+=

With reference to your letters No L 8685 dated 4-9-1947 enquiring whether the proposal of the Comptroller to Government that the rules prescribed for Government institutions in regard to the irrecoverable fees and writing off of the lost or unserviceable articles have to be followed by the Municipal High Schools also may be accepted and orders issued accordingly and No L 10564 dated 4-11-1947 returning this office file No H3 1694-7/44-45 on the above subject, I have the honour to state that in regard to the question relating to fees orders may kindly be passed making the rules laid down in general in the Account Manual of Government High and Middle Schools applicable to the Municipal High Schools also as already requested in this office letter No D1 1694-59/44-45 dated 28-11-1944

As regards the question relating to the writing off of the lost or unserviceable articles in Municipal High Schools, I wish to state that under the existing rules, I am empowered to permit the writing off of such articles in respect of Government institutions when the value of such articles does not exceed Rs 100/- and the cases involving loss of such articles worth more than Rs 100/- have to be referred to Government If the same rules as are prescribed for Government Institutions in this behalf are to be applied in the case of Municipal High Schools also as opined by the Comptroller, the same procedure as indicated above has to be followed In which case, the Managements of Municipal High Schools whose number is rapidly increasing every year have to

p t o

to refer each and every such question to this office even though the value of such articles may be very small Further, as the administrative control over the Municipal High Schools is vested in the Managing Committees of those schools, it is necessary that they should exercise the power of writing off the lost or unserviceable articles of furniture, etc , of these schools as already stated in this office letter dated 28-11-1944 referred to above So, the opinion of the Comptroller has to be accepted with the modification so as to empower the Managing Committees of the Municipal High Schools also to permit the writing off of the lost or unserviceable articles of furniture, etc', of the schools when the value of such articles does not exceed Rs 100/-, the other cases being referred to Government through the proper channel as in the case of Government Institutions
